

*There's a whole new
world out there ..*

DuoOutlook
from Romahome

Romahome welcome

Romahome Ltd are specialists in the manufacture of micro coach-built motor homes. We have a manufacturing plant based on the Isle of Wight, combined with a specialised dealer network across the UK and Ireland.

Since the first Romahome was built in 1982, Romahome's philosophy has been to produce motor homes that have the versatility, economy and drivability of a car combined with all the features of a motor home. This is why many of our owners have their Romahome as their only vehicle.

Romahomes have evolved even further on this theme by introducing new models that incorporate four seats with seatbelts, and introducing a low profile motorhome for better access to car parks and parking in garages.

Award Winning Romahome

Romahome have been manufactured by skilled craftsmen on the Isle of Wight for 25 years, and we have continued to win awards for design and quality since 1988 from the caravan and motorhome industry for our vehicles.

DuoOutlook

Designed to meet the needs of urban shopping and long distance touring with ease

A compact two berth coach built motorhome. Available in three different equipment levels: Leader, SX and Exclusive (see back of the brochure for specification).

The Outlook creates a comfortable and spacious living environment in the day, with large panoramic windows to watch the world go by.

Sleeping accommodation provides either two permanent single beds, or a king-size bed, all of which only takes a few moments to make.
